ACKNOWLEDGMENT

I would like to take this opportunity to thank everyone who has helped me in gathering material for this book. There are too many to name each one but do appreciate all you have shared with me. Especially Sandra Knoell, as she has been a big help on this family to update the information.

I started work on my Dyer Family in 1969 and got hooked on genealogy and it has been my past time and my life ever since.

I know the information is not up to date but if anyone has any updated information they would like to share with me, I would be very happy to receive it.

MARRIAGE1: Difference of dates on mg. Obit says 17 Jan and family said 6 Jan. Was divorced 1936 from Irene. The date of 17 Jan was located in the divorce papers but that is not correct.

Sandra Knoell located a copy of the marriage record from Denver, CO, Colorado State Archives, 1313 Sherman St - 1B20, Denver CO 80203 of which she sent me a copy 18 June 2009. The date on the marriage licence was 17 Jan 1906 md by Leo B. Vosburgh. Cleveland Dyer to Irene Dare

She needed this record to get into DAR under the Charles Dyer line and finally located it.

CHILDREN: He and Irene had 7 children, 6 living to maturity.

He was born and grew up on a farm but didn't take to farming too well and farmed only a few years of his married life. He left Missouri shortly after he was married as he wanted to find a farm of his own. He had been renting land from his father as he owned quite a lot of land around Wyaconda.

They went to San Diego, CA where he worked as a street car conductor for a while. They went first to Wyaconda about 1910 where their son Raymond was born. Then he moved to Dexter, MO where the rest of his children were born. They farmed until May 1927 and then they moved to Detroit, MI.

Cleveland worked in a factory for a while then he bought a truck and sold coal in the winter and ice in the summer.

1937 he was divorced and moved to St Clair Shores, MI where he lived until his death. That was during the 2nd World War, so his children didn't see much of him at that time.

His wife moved to Warren, MI in 1936 where her son Raymond was living and in 1937 her daughter, Mable and husband moved there to be near her. From 1936 until many years later his children hadn't seen Cleveland.

During that time he divorced and remarried to a lady on his ice route. He later divorced her. She is buried by him in Forest Lawn cemetery.

His children did get in touch with him a few years before he died.

Have corresponded with all of Cleveland's children. Met Ida Kless in Florida while there on vacation and also her brother Raymond as he was living there as well, in May 1983.

CENSUS RECORDS:

1900 don't know where he was in the census as have not located him.

1920 Soundex Index of MI checked and found him not listed, although he lived there many years. Need to check the actual census and would probably locate him.

In summer of 1979, she was critically injured in a vehicular-pedestrian accident in Ford River, near Escanaba. From 1985 to 1993, she participated in school, Special Olympics and head injury rehabilitation activities in the Lansing area and made and/or renewed many friendships.

Her long-time goal of returning to our house in the "beautiful Upper Peninsula," as she called it, was realized in October, 1993, and she spent the past 11 months wrapped in the security of a place she had always considered "home". This special place gave her new incentive to grow and thrive, which she did to her last day with us.

She loved simple things - Upper peninsula winters, writing in her journals, sending and receiving letters, Emma her cat, shrimp dinners, bingo - but most of all she loved people - each of you who touched her life in some small or large way made her happy. Please remember her smile, her mischief and her great joy in sharing time with you. Keep her memory in your heart."

of John Cleveland Dyer

1997

I would like to take this opportunity to thank everyone who has helped me in gathering the data for this book. There are too many to name, but I am sure to appreciate all you have shared with me, especially Sandra Knobel, as she has been a real help in this family to update the information.

I started work on my Dyer Family in 1968 and got hooked on genealogy and it has been a past time ever since.

I know the information is old up to date but it should have new updated information that you like to read as I would be very happy to receive it.

FIRST GENERATION

(1) John "Cleveland" Dyer, was born 10 May 1885 in Wyaconda, Clark Co., MO, and married 17 Jan 1906 in Denver, Denver Co., CO, (2) Helena "Irene" Dare, daughter of Samuel Dare, Judge and Ida Carothers, who was born 19 Sep 1886 in Deer Ridge, Lewis Co., MO. They were later divorced. John "Cleveland" died 27 Jun 1965 in Utica, Wayne/McComb, MI and was buried 30 Jun 1965 in Detroit, Wayne Co., MI, Forest Lawn cem.. Helena "Irene" died 5 Apr 1971 in Detroit, Wayne Co., MI and was buried Apr 1971 in Detroit, Wayne Co., MI, Forest Lawn cem.. Helena "Irene" was also married to Joseph LaMothe. Cleveland son of Charles Hillory & Melvina Boley Dyer.

Notes for John "Cleveland" Dyer:

BIRTH: Info from children and grandchildren. He was born at the time Cleveland was President and was named after him. He went by Cleveland.

MARR1: Difference of dates on mg. Obit says 17 Jan and family said 6 Jan. Was divorced 1936 from Irene. The date of 17 Jan was located in the divorce papers so that is correct.

DIVORCE: Sandra Knoell sent me copy of divorce record Docket # 258216 filed in the County of Wayne, MI. Date of filing 7/29/36 and Date of decree 11/9/36. There were 3 minor children. Signed by Clerk of Circuit court, Henry A Montgomery 21 Dec 1936.

MARR2: Married Gertrude ? and divorced shortly after.

DEATH: Info from obit and family (maybe from Kahoka paper?) He died from heart attack at the Hilltop Nursing Home in Utica, MI. Buried at the Forest Lawn cemetery, MI.

He had 7 children, 6 living to maturity.

He was born and grew up on a farm but didn't take to farming too well and farmed only a few years of his married life. He left Missouri shortly after he was married as he wanted to find a farm of his own. He had been renting land from his father as he owned quite a lot of land around Wyaconda.

They went to San Diago, CA where he worked as a street car conductor for a while. They went first to Wyaconda about 1910 where their son Raymond was born. Then he moved to Dexter, MO where the rest of his children were born. They farmed until May 1927 and then they moved to Detroit, MI.

Cleveland worked in a factory for a while then he bought a truck and sold coal in the winter and ice in the summer.

FIRST GENERATION

1937 he was divorced and moved to St Clair Shores, MI where he lived until his death. That was during the 2nd World War, so his children didn't see much of him at that time.

His wife moved to Warren, MI in 1936 where her son Raymond was living and in 1937 her daughter, Mable and husband moved there to be near her. From 1936 until many years later his children hadn't seen Cleveland.

During that time he divorced and remarried to a lady on his ice route. He later divorced her. She is buried by him in Forest Lawn cemetery.

His children did get in touch with him a few years before he died.

Have corresponded with all of Cleveland's children. Met Ida Kless in Florida while there on vacation and also her brother Raymond as he was living there as well, in May 1983.

1900 don't know where he was in the census as have not located him.

1910 need to check Wyaconda, Clark Co. MO census for Cleveland and family.

1920 Soundex Index of MI checked and found him not listed, although he lived there many years. Need to check the actual census and would probably locate him.

Notes for Helena "Irene" Dare:

Info from children and grandchildren. Sandra Knoell did family history on the Dare family.

Cleveland and Irene were married in Denver, Co and divorced 1937. Irene moved to Warren Michigan in 1936 with her son Raymond and in 1937 her daughter, Mable moved there to be near her. From 1936 for many years the children didn't see their father until much later.

Irene married a second time and he died 1973. At time of her death she was living at Center Line MI. She died of cancer.

Sandra Knoell sent me info some info on the death of Jennifer and some pictures of her at various ages with an article In Celebration and Memory of Jennifer Allison Kless. Said she died in Escanaba, MI.

"Jennifer Allison Kless was born in Lansing, MI on October 9, 1970. She attended school in Cadillac, Escanaba and Lansing, graduating from Everett High School in Lansing in 1990.

In summer of 1979, she was critically injured in a vehicular-pedestrian accident in Ford River, near Escanaba. After more then five months in a coma and months of therapy at Marquette General Hospital, she returned to her home in Ford River and resumed an active appreciation of life in the Upper Peninsula. From 1985 to 1993, she participated in school, Special Olympics and head injury rehabilitation activities in the Lansing area and made and/or renewed many friendships.

Her long-time goal of returning to our house in the "beautiful Upper Peninsula," as she called it, was realized in October, 1993, and she spent the past 11 months wrapped in the security of a place she had always considered "home". This special place gave her new incentive to grow and thrive, which she did to her last day with us.

She loved simple things - Upper peninsula winters, writing in her journals, sending and receiving letters, Emma her cat, shrimp dinners, bingo - but most of all she loved people - each of you who touched her life in some small or large way made her happy. Please remember her smile, her mischief and her great joy in sharing time with you. Keep her memory in your heart."
